Treat your taste buds to a refreshing, delicious, tropical tasting cold beverage.

Backed By 30 Years of Clinical Trials and Scientific Research.

Directions for Use

SKINNY GENES JAVA™

This pouch of 1.2 oz. **Skinny Genes Java™ Brewable Coffee** makes 2 servings of freshly brewed coffee. Do not consume more than 1 serving at a time. Brew entire 1.2 oz. pouch of **Skinny Genes Java™ Brewable Coffee** in 20-24 oz. water or to taste. Must divide into 2 servings after it is brewed to ensure efficacy. One packet makes 2 servings of 10-12 ounces, depending on how strong you prefer coffee.

You may consume 1 serving and refrigerate the other serving for iced coffee later or reheat in microwave. Consume within 24 hours after brewing (even if refrigerated). **SUGARS & SWEETENERS** We recommend the First 100% All Natural Low Glycemic **Sweet Infused Fruit Sweetener** as the perfect healthy companion for **Skinny Genes Java™ FOR ADULTS ONLY** - Not for use by individuals under 16 years of age. Not for use by children or by pregnant or lactating women. Use only as directed. Not for use by anyone sensitive to any of the ingredients. Do not use more than 1 serving at a time. May be used one to three times per day in-between meals. Do not use more than 3 servings total per day. Do not use caffeine products within 2 hours of taking this product. It is advisable to reduce consumption of products containing caffeine while taking this product.

100% ALL NATURAL SWEET INFUSED SWEETENER™

DIABETIC EXCHANGE

1 Level teaspoon = Free food exchange
4 Level teaspoons = 1 Fruit exchange
ALLERGEN STATEMENT: **Sweet Infused Fruits®** do not contain soy, egg products, milk products, peanuts, nuts, tree nuts (such as coconut), wheat or gluten, or seafood (including fish, Mollusks, or Crustacean).

FRUCTOSURIA: Persons with the rare condition Fructosuria and/or hereditary fruit sugar intolerance should consult with their physician prior to using this product, as this product contains natural fruits and fruit components. **CRUELTY-FREE:** **Sweet Infused Fruits®** have never been involved in animal testing. The **Sweet Infused Fruits®** research team is against the abuse of animals in any format, and financially contributes to animal rights groups.

TRI-Matrix MD™

PRE-WORKOUT NITRIC OXIDE PROTOCOL Mix 1 serving of **1 scoop (12.5 g)** of **TRI-Matrix MD™** with **12-16 oz. plain water**; Stir to dissolve. Add ice cubes to activate flavor system. Do not use flavored or enhanced water; do not use juice, use only plain water. 1 serving (1 scoop) may be taken in between meals - **1 hour away from food or beverages other than water**. 1 serving may be consumed 2-3 times per day in between meals.

AGE-MANAGEMENT & ATHLETE'S GH PROTOCOL - NIGHTTIME PROTOCOL: Mix two servings (**2 scoops**) (25 g) with desired amount of **water (from ½ cup to 1 cup water)** and stir briskly. **Take 35-40 minutes prior to bedtime sleep**. Take on an empty stomach. **You cannot eat for 2 hours prior to taking the Nighttime dose**, or the product will not work. **Do not take within 2 hours of consuming food or beverages** (water only). This dosage may be taken only one (1) time per day at bedtime.

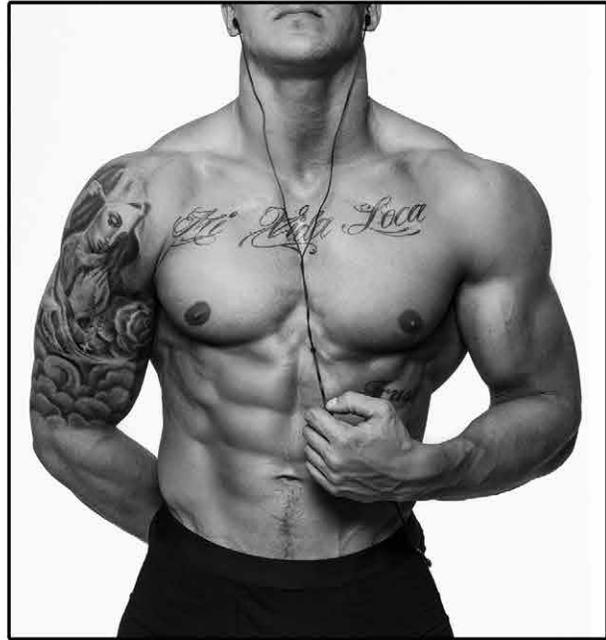

SKINNYGENEX™ - Peach and Pineapple

Enjoy **SkinnyGenex™** 1-3 times per day. Add one serving (one packet) of **SkinnyGenex™ Peach Mango or Pineapple Splash** to **8-12 ounces of plain cold bottled water** & shake until dissolved. Add ice if desired (ice triggers the flavor). May also be served warm.

Do not mix with juice or anything other than plain water. **Consume 1 serving in between meals (not with meals)**. Do not take more than 3 servings per day and do not take more than 1 serving at one time. Do not take with caffeine or caffeinated products.
